Common Instrumentation Facility Center,
Indira Gandhi (Sr.) College,
CIDCO, New Nanded.

Note

The workshop is limited for only 30
Participants on the basis of screening of academics.

Shri Sharda Bhavan Education Society's

Indira Gandhi (Sr.) College

CIDCO, New Nanded

One-Day National Level Workshop

On

Techniques in Isolation & Analysis of Phytochemicals(TIAP-2014)

On

28th August 2014

Organized by

Department of Botany

Indira Gandhi (Sr.) College, CIDCO, Nanded.

Dear Sir/Madam,

Shri Sharda Bhavan Education Society's Indira Gandhi (Sr.) College, CIDCO, Nanded (M.S) cordially invites researchers and teachers of Plant Sciences to participate in One Day National Level Workshop On "Techniques in Isolation & Analysis of Phytochemicals (TIAP-2014)" to be held on 28th August 2014.

:About Shri Sharda Bhavan Education Society:

Shri Sharda Bhavan Education Society was established in 1952 with an educational vision to dispel darkness of illiteracy from lives of the poor. Honourable Founder President Late Dr. Shankarraoji Chavan, Former Home Minister, Government of India, established first school in 1952 and then onwards there was no looking back for the society. Society has kept its educational graph rising for the decades. It expanded into many schools & colleges. The society always looked forward for upgrading the educational facilities so as to keep itself prompt with the changes in rural & urban areas. This contribution was recognized as awards "Dalit Mitra Puraskar" & "Rajya Puraskar" to the society from the state Govt. of Maharashtra.

Higher education facility was introduced in 1963 in the areas of Arts, Commerce & Basic Science followed by legal, technical & teachers' education. Now a day this society is one of the reputed educational societies in the Marathwada region of Maharashtra state. Society has given the significant contribution in research & educational development.

:About College:

Shri Sharda Bhavan Education Society's Indira Gandhi (Sr.) College, CIDCO, Nanded runs the courses in Arts & Science faculties from year 2000. College goal is "to achieve academic excellence, promote research & strive for multidimensional personality development of students keeping pace with time". It holds a unique position in the rural area of Nanded.

The college is recognised for its discipline. As a budding institution it aims at versatile development of student in academic, socio-cultural fields so as to make them responsible individuals to make a better society.

:About Department of Botany:

The department of Botany was established in June 2001. Since then it has actively engaged in imparting knowledge of Botany to the students. Department is having well furnished, spacious laboratory with advanced research instruments. Within a short span the Department has gained reputation in its consultancy service in various research areas in science. The department has privilege to monitor Central Instrumentation Facilitation Centre of the college.

:Theme of Workshop:

The significance of this workshop is to invite all the researchers of Plant Sciences who are actively engaged in the isolation, purification and pharmacological analysis of potent natural products from medicinal plants. The workshop will definitely be fruitful for the participants to implement new techniques in their research work. The resource lectures and hands on training session will be a tasty feast for individuals involved in research. The manual containing standardized protocols of isolation and estimation of phytochemicals will be distributed among the participants as research aid.

Programme Schedule

Time	Programme
08:00 to 09:00am	Break fast
09:00 to 10:00 am	Registration
10:00 to 11:00 am	Inaugural Function
